R ABISHEK

CHENNAI, India, 9841283366, abishekravichandiran7@gmail.com,LinkedIn: http://linkedin.com/in/abishek316

PROFILE

Motivated and enthusiastic Computer Science and Engineering student with a strong foundation in machine learning, data science, programming, and problem-solving. Highly organized, quick to learn new technologies, and passionate about building efficient and innovative solutions. A dependable team player with strong communication skills and a proactive mindset towards tackling technical challenges.

EMPLOYMENT HISTORY

May 2024 — Jul 2024

Web Developer, CREATAH SOFTWARE TECHNOLOGIES Ltd — Chennai

- Developed responsive web pages using HTML, CSS, Bootstrap, and JavaScript, focusing on clean UI and smooth user experience.
- Built interactive components and layouts optimized for both desktop and mobile platforms.
- Applied basic Mongo DB for storing and managing content data where needed.
- Collaborated with mentors and team members to refine features and troubleshoot bugs during development cycles.
- Successfully delivered a solo final project AI-Master —an e-commerce website offering ChatGPT prompt bundles, showcasing end-to-end development and UI design skills.
